## About JIET

Jaypee University of Engineering & Technology, Guna has been established vide Government of Madhya Pradesh gazette extra ordinary No.3 of 2010 dated 29th April 2010 as a private university in the State of MP under the provisions of MP Nij Vishwavidyalaya Adhiniyam 2007. The university has been notified by the UGC under section 2(f) of the UGC Act, 1956 and Accredited by NAAC with Grade "A" in very first cycle of Accreditation in 2016. This University is sponsored by Jaypee Group. It was earlier Jaypee Institute of Engineering and Technology, Guna, established in the year 2003 based on the MOU signed between Jaiprakash Sewa Sansthan (a not-for-profit trust) and the Government of Madhya Pradesh with an aim of becoming a Center of Excellence in Engineering and Technology in MP.

This is one of the four Universities established for imparting Engineering education by the Jaiprakash Sewa Sansthan (JSS), an educational initiative which recognizes the role of IT and emerging technologies in improving the quality of life of the people of India. JIET's location at Raghuogarh, in Guna district, is a well thought out as it serves backward district of MP such as Shivpur, Gwalior, Sheopur, Ashoknagar, Sagar, Rajgarh, Vidisha etc. This region, currently in a rural setting with strong agricultural activities is likely to grow as a major industrial hub. JIET is being developed as a major center to provide competent, well trained technical manpower to the region.

The JIET campus on the national Highway linking Agra to Mumbai sprawls over 125 acre as a modern institution of higher learning in the field of engineering and technical education. The foundation stone of this Institution was laid on 15th March 2002 by the then chief minister of Madhya Pradesh Shri Digvijay Singh. The academic activities started in the year 2003. Presently the university offers programs of three faculties named as Faculty of Engineering, Faculty of Mathematical Sciences and Faculty of Sciences. Under the Faculty of Engineering, Programs offered are 4 year (B semester) B.Tech Programmes, M.Tech. Programmes and Doctoral Programmes in Chemical Engineering, Civil Engineering, Computer Science and Engineering, Electronics & Communication Engineering and Mechanical Engineering. Under the Faculty of Mathematical Sciences, Programs offered are B.Sc.(H), M.Sc. and Ph.D. in Mathematics and under the Faculty of Sciences, Programs offered are B.Sc.(H), M.Sc. and Ph.D. in Physics and Chemistry.

The University has the modern well laid out and green campus with well equipped state-of-the-art laboratories and library, which provides a pleasant and intellectually stimulating ambience for students in eco-friendly environment. Special emphasis has been laid on developing an environment highly conducive for

- Building of a solid foundation of knowledge
  - Confidence building
  - Pursuit of excellence and self discipline
  - Personality development
  - Incubation of creativity through motivation and drive, which helps to produce innovative professionals well equipped for the rigors of emerging challenges of professional and social life.
- The University aims to offer the complete educational spectrum of programs in emerging technologies at the degree levels. Research in emerging areas of technology is a major thrust and is leveraged for all academic pursuits.

In October 2018, Jaypee University of Engineering & Technology (JIET) has been recognized as an Excellent University by Madhya Pradesh Private University Regulatory Commission (MPPURC), Bhopal.
